

# ?? vApp

В меню **DETAILS** знаходяться налаштування контейнера vApp.

The screenshot shows the VMware Cloud Director interface for vApps. The left sidebar contains navigation options: Compute (vApps, Virtual Machines, Affinity Rules), Networking (Networks, Edges), Storage (Named Disks, Storage Policies), and Settings (General, Metadata, Sharing, Kubernetes Policies). The main content area displays a list of vApps with search and filter options. Four vApp cards are shown, each with a status icon, name, and key details. The 'DETAILS' button for the vApp named 'vApp-03' is highlighted with a red box.

vApp Name	Status	Storage Lease	Created On	Owner	VMs	CPUs	Storage	Memory	Networks
my_vApp	Powered off	Never Marks as expired	06/03/2024, 10:53:04 AM	org_admin	1	1	11 GB	1 GB	1
vApp-03	Resolved	25 days (Marks as expired)	05/30/2024, 09:55:30 AM	org_admin	0	-	0 MB	-	-
vApp-02	Resolved	25 days (Marks as expired)	05/30/2024, 09:55:26 AM	org_admin	0	-	0 MB	-	-
vApp-01	Partially Running	Runtime lease	05/30/2024, 09:55:21 AM	org_admin	2	2	52 GB	2 GB	-
